Forced Love part 4

Part 4

Disclaimer: Yes!! These really are my characters!! But you gotta catch me before you can sue me!!!

"Yes my master. No my master. Of course my master." Tahiri couldn't wait to get out of here. Being a Sith wasn't all fun and games. However, when she got Anakin, Zekk, Jacen, and anyone else she could get to join her over here, it would be more fun. Lots of fun. Zekk and Jacen wouldn't be that hard, they had both had their hearts broken recently, especially when Tenel Ka had just suddenly left for Hapes. And Anakin had little self confidence in his abilitys. It shouldn't be to hard. "Tahiri!" Tahari's head snapped up when her master spoke to her. "Pay attention, getting the Skywalker bloodline back into the dark side, is not easy. I, myself have tried, and failed. We must try and succed this time." Callista shook her head. "I can't believe it, you won't be able to do it." "Quiet!" Mara Jade snapped. "I don't need any complaints from a prisinor!" "That's all I am to you, just a prisoner, look, I was just trying to get a job, how did I know you lived in that place? And what Luke did to you was not my fault!" "He left me! He was still in love with his darling Callista! Well not anymore, once I have his nephews, Luke will have to come and rescue them, and then he will be mine for the taking!" "You want be able to just take him, not only is he a jedi, but he's a little bit smarter than a pair of Nalaa tree frogs! You're plan won't work." "Excuse me," Tahiri said stepping in, this was even worse then hearing Zekk and Jacen pity themselves, "but will you please finish this another time, showing no disrespect my master," Tahiri said with a bow, "but I do need to know how I will return to Yavin 4, and when you want the boys." Mara Jade nodded at Tahiri, and began to give her the information she wanted.

'Just keep smiling, just keep smiling,' was all Jaina could think at the ball she had was attending, with, who else, Raynar. Jaina was so sick of this, having to pretend like this. She had been with Raynar almost every waking moment since she had arrived home from her honeymoon, almost a month eariler. 'Oh great,' Jaina thought, 'another toast. Another kiss.' Sure enough, Raynar kissed Jaina after the toast. She decided they were just trying to drive Raynar and Jaina insane. However, Raynar was a good, kisser, a great kisser infact.

'At least she's good at this,' thought Raynar as he pulled back from Jaina. It could be worse. Lusa could be acting like Zekk, and completely pull out of his life. Oh well. Not his problum. Well, not really. But then he finally had to admit to himself that it did bother him to see Jaina like this, so sad when she was at home. He remembered the previous evening, where there had finally been a night at home, they had eaten some kind of salad, and Jaina had just broke down in the middle of it and began to sob. She wouldn't even tell Raynar why, but he knew it had to have something to do with Zekk. She looked worse, then when he was bounty hunting, or even when he was with the Shadow Acadamy. Raynar was pulled out of his daze when Jaina began to drag him onto the dance floor, first dance, it would be unusual for them not to dance this dance. 'At least she's a good dancer.'
